EUPHA – ASPHER 2011: Copenhagen, Denmark – Public Health and Welfare – Welfare Development and Public Health

EUPHA and ASPHER are pleased to invite you to the 4th joint European Public Health Conference combining the 19th annual EUPHA meeting and the 33rd annual meeting of ASPHER. The conference will be organised from 10 to 12 November in Copenhagen by the Danish Society of Public Health (DSOPH). The main theme of the conference is Public Health and Welfare – Welfare Development and Public Health

Please note that the abstract submission will be available online from 9 February 2011 until the 1st of May 2011 (midnight).

The following keynote lectures are planned:

- European welfare systems including public health and health care – overview and comparative research • Reducing inequality in health in Europe – progress in policies?
- World economic crises, investments and health. Are our welfare systems resistant towards deteriorating • health when economic crises take place?
- Focus on the elderly population in Europe. The contribution of preventive and curative health services • to health, quality of life and welfare of the elderly population • Regulating health by food – the role of the food industry, comparable to the tobacco industry?
- Using individually linked population-based registers in research focusing on the interrelationship of • health and welfare - Scandinavian approaches and experiences • The Danish “flexicurity model” for labour market policy and social policy • Global health as seen from a European perspective – the welfare orientation of public health education in • Europe Please find regularly updated information on: www.eupha.org/site/upcoming_conference.php
